

Samskrsti Foundation

A Memorandum of Understanding (MoU) was signed between the National Culture and Samskrsti Foundation®. Mysore (SF) is a registered public trust, registered under the Indian Trust Act, and is a non-profit organization, recognised by the Govt. of India in the activity of preservation and propagation of the cultural and scientific heritage of India, and has among its objectives, to develop sustainable science and technology without eroding the values of life and disturbing the ecological balance in nature; to bring together Science and Spirituality; and to show that they can move hand in hand and lead a successful, peaceful, spiritual and materialistic life.

The Samskrsti Foundation®, Mysore, has proposed to present a project for preserving the cultural heritage of India. The objectives of the project are:

- The 64 arts depict the richness and grandeur as well as the gigantic intellectual prowess possessed by ancient Indians in many different fields that combined extraordinary physical and mental capabilities that seem to be unparalleled in any other civilization, past or present. They are said to have been learnt and mastered not only by our sages and scholars of yore, but by people in the mediaeval period of Indian history, who also bring to light the uniqueness and greatness of the 64 arts that are one of the most distinctive features of Indian cultural heritage by: :
 - Bringing out a series of 70 (seventy) professionally and attractively designed multi-color posters on this topic that can be exhibited
 - a detailed monograph about the 64 kalaa-s/arts and (Bulk printing of the monograph is not envisaged in the current project.
 - To arrange a 2-day national seminar on the 64 kalaa-s/arts

The MOU was signed and handed over by Sh. Ajay Yadav, (Member Secretary, NCF) to Dr. M.A. Alwar, Managing Trustee (Samskrsti Foundation®, Mysore), for the project proposed.
